As I went a-wal-king one day in May, I met a pret-ty maid and un-to her did say; "To
love I am in-clined, I will show you my mind For I'm deep - ly en-gaged with you cuc-koo's nest." Oh
some like girls that are fair of face, And some like a lass with a nice trim waist, But
give me the girl who'll wrig - gle and twist At the bot-tom of her bel-ly with the cuc-koo's nest.
